

Ranger Team Challenge

2006/2007

This years Ranger Team Challenge is a series of activities for you and your unit to complete. These activities are to be presented at the AGM on Monday 14th May in the most imaginative way you think possible. Points are available for the most challenges completed with the most unit members present, and for your presentation (so if you don't manage to complete all the activities, your presentation had better be good!!!).

Take a photo of:

1. your unit doing service
2. your unit at a Zone event or adult training
3. your unit helping at a girl event
4. your unit at the 2007 Easter Regional Camp
5. your unit eating healthy
6. your unit being active i.e. fitness
7. your unit at 7am on Thinking Day at the top of Mt Eden
8. your funniest moment at Rangers
9. your unit at a playground
10. Surprise challenge on the night of the AGM.

Good luck and have fun!
